

# MUMM NAPA

Established in Napa Valley in the late 1970s, Mumm Napa follows traditional wine making techniques of its French heritage to create the finest, hand-crafted sparkling wines. Our dedication to quality has been rewarded with accolades and awards over the decades.

## NV BRUT ROSÉ

Our signature rosé has an eye-catching pink-coral color, robust red fruit flavors, and an elegant finish. Pinot Noir is responsible for the wine's soft texture and forward fruitiness, while the Chardonnay contributes structure and elegance.

### TASTING NOTES

Our Brut Rosé features fresh vivid aromas of black cherries, red berries, and citrus followed by soft red fruit flavors that are rich and mouth-filling, yet retain the elegant character that is Mumm Napa's trademark.

### VINEYARDS

Each harvest, the Brut Rosé blend is comprised of the best grapes selected from up to 50 grower locations throughout the Napa appellation. The grapes are hand-harvested during the crisp morning hours to ensure they arrive at the winery in pristine condition.

### WINEMAKING

The individual vineyard lots are fermented separately at cool temperatures in small stainless steel tanks to preserve freshness and fruit intensity. A few select lots are aged in French Oak barrels to add depth, complexity, and spiciness to the final blend. A small amount of red Pinot Noir is added to the blend before bottling to create the beautiful pink-coral color. An average of 18 months' yeast aging adds complexity, contributing subtle bread dough flavors and layers of creaminess. The wine is then disgorged and a dosage added back to balance the wine's acidity. The dosage includes a Pinot Noir fermented in traditional Burgundian fashion, which contributes an extra measure of depth, color, and robust fruitiness.

### PAIRING SUGGESTIONS

This wine will pair nicely alongside a plate of creamy cheeses, grilled salmon, roast duck, or spicy Italian or Asian dishes.
