2015 DEVAUX RANCH PINOT NOIR

This wonderful Estate Pinot Noir was crafted from grapes farmed from the beautiful rolling hills of our Carneros Estate Devaux Vineyard. Hand crafted in very limited quantities, our still wines are sold exclusively through our visitor center in Rutherford and to loyal club members.

TASTING NOTES

Deep and brilliant red-ruby colored wine exhibits aromas of red cherries, cranberries, and wild strawberry, with a hint of clove spice and toasted oak. Floral tones of violet and lilac highlight the bouquet of this elegant and complex wine with a silky texture. The long finish has a nice balance of red berries and spices with notes of cranberry, red plums, and fresh cedar wood.

VINEYARDS

Devaux Ranch, our 110-acre estate vineyard in Carneros, was the sole vineyard for the 2015 Pinot Noir release. The cool climate of the Carneros appellation creates a perfect environment for a slow and even ripening with tremendous berry flavor concentration into small clusters with tiny berries. The fruit was picked by hand early in the morning and delivered cold to the winery.

WINEMAKING

Cold whole clusters were gently destemmed without crushing and then hand sorted to ensure only the best quality went into the fermentation tanks. During cold maceration, intense and bright fruit flavors are extracted from the berries skin and pulp, as well as the vibrant red-ruby color pigments from the skins. The wine is separated from the skins towards the end of fermentation, and the clear juice is then racked into French oak barrels to finish fermentation and slowly mature over a period of 10 months.

PAIRING SUGGESTIONS

Pair this rich Pinot Noir with fragrant cheese styles like Emmental, Morbier, or Limburger. For entrees, try roasted game bird dishes, wild mushroom risotto, lamb shanks, or pasta dishes with cream sauce.
