## DEMI-SEC

Meaning “half-dry” in French, this semi-sweet sparkling wine is very soft and subtle with a light and fresh style.

**METHOD:** Adding a balanced dosage is essential to the wine’s texture and complexity and counters the acidity of the cuvée. The result is a lightly sweet dessert wine with tiny bubbles. Perfect for sipping today, Mumm Napa Demi-Sec will broaden with time on the cork.

As the sugar continues to caramelize, this wine will develop even more complexity, richness and creaminess.

**PROFILE:** Mumm Napa Demi-Sec is a deliciously light, fresh and fruity wine with a delightful pale straw color, edged with a hint of yellow-green. The rich aromas are predominantly citrus with a faint touch of caramel in the background. This wine is rich, full and lush on the entry with orange blossom, citrus fruits and cantaloupe on the palate. The finish is long, dominated by white chocolate and vanilla flavors.

**OCCASION:** Pair this wine with lightly sweet desserts such as crème brûlée, fruit pie topped with whipped cream, or fresh cantaloupe. It also goes well with Indian cuisine.
